AWDashboard  
\$3,500

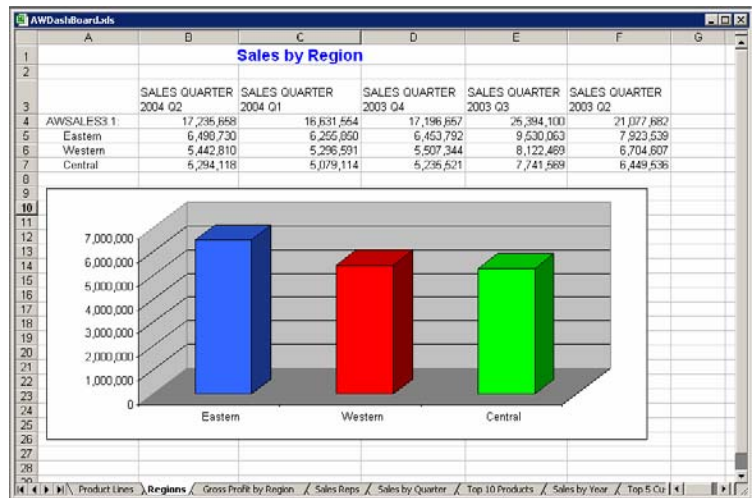

## AdvancedWare is Pleased to Present AWDashboard - \$3,500

AWDashboard gives Management the information they need to really drive business decisions. Key metrics such as the performance of your Sales Force or tracking of your Top Products is at your fingertips with AWDashboard. AWDashboard comes standard with over 15 graphical views. And since AWDashboard is built in .NET and uses Excel for the graphical viewing, you can setup up additional views in just minutes. Best of all, AWDashboard is fully integrated with your Avanté, DataFlo, ManFact or MANAGE 2000 system!

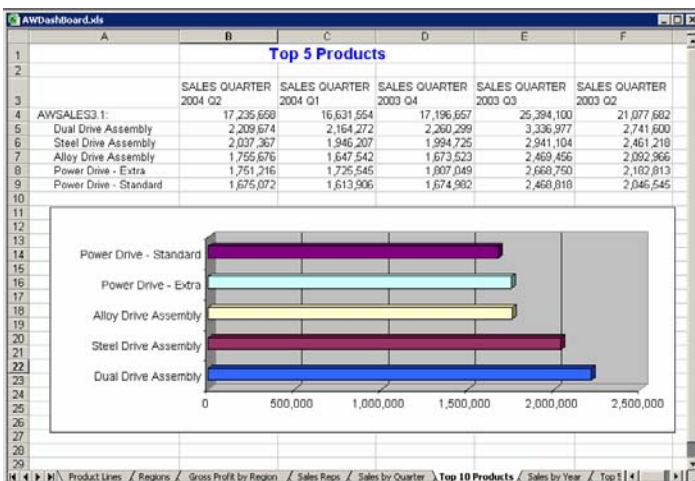

### Sales by Product Line

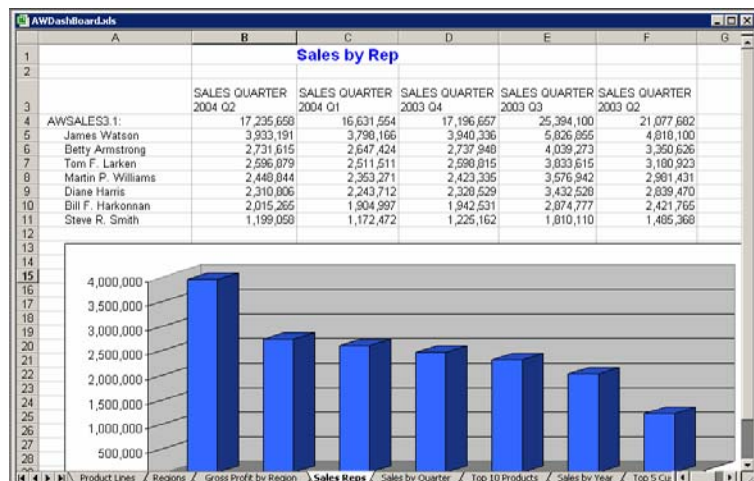

### Sales by Region

### Top Products

### Sales Rep Performance

**Our Turnkey Approach:** For the price of \$3,500 AWDashboard is the perfect add on product to AWSalesReports. Everything you need to be up and running live is included and AWDashboard works with any release of Avanté, DataFlo, ManFact or MANAGE 2000 even if you have customization.

**The Bottom Line:** With AWDashboard you will be viewing key business metrics in a graphical and easy to use format.
