AWShippingQueue

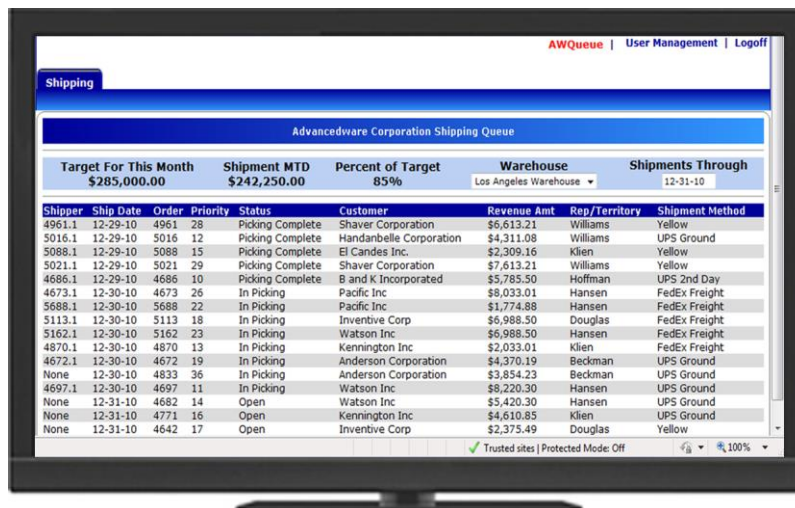

\$2,500

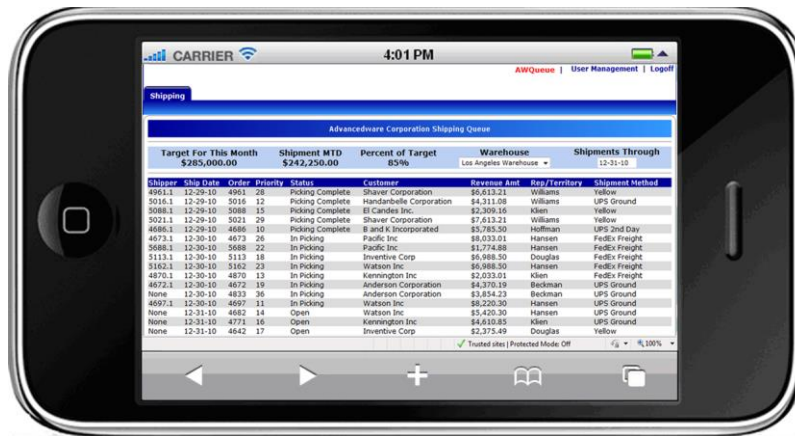

## AdvancedWare is Pleased to Present AWShippingQueue for Epicor Kinetic - \$2,500

AWShippingQueue gives you constant visibility of your shipments. The AWShippingQueue displays can be viewed on any PC, Smartphone, or Large Monitor Display. Shipments are critical to your company and you can use AWShippingQueue to stay right on top of them. You can sort the Display by Priority, Ship Date, Customer, Revenue Amount, etc., and the information displayed automatically refreshes so you constantly see current information. And best of all, you can run AWShippingQueue on an unlimited number of devices (PCs, Smartphones, and Large Monitor Displays) and it works with any release of Epicor Kinetic.

From Large Monitor Displays to the Smartphone – Keep up on those Shipments!
