

Delivering Exceptional Services & Software Every Time

AWWebPortal

\$16,500

## AdvancedWare is Pleased to Present AWWebPortal for SQL based ERP systems - \$16,500

AWWebPortal will enable your company's Web site to access key information from your SQL based ERP system. In fact, with AWWebPortal, the access is Real-Time so the Web users will always see the latest information available. Just think of it – with AWWebPortal, your Customers, Distributors and Employees (with the proper security, of course) can use a Web browser from anywhere in the world and have the capabilities below and more ...
