

AdvancedWare is Pleased to Present AWWebStore for UniVerse and UniData - \$16,500

AWWebStore will enable your company's Web site to process orders for your UniVerse or UniData business system. With AWWebStore, Customers, Distributors and Consumers will be able to purchase your products on-line via a streamlined Web interface. And because AWWebStore does Real-Time validations when the order is being placed, you can rest assured that only accurate orders will be updated into your business system. Just think of it, with AWWebStore your Customers, Distributors and Consumers (through a secure connection of course) can use a Web browser from anywhere in the world to purchase your products. AWWebStore includes the capabilities below and more ...

Products are organized by category

The screenshot shows a web browser window displaying the AWWebStore interface. The 'Product Selection' page is organized into a grid of product categories, each with a representative image and a brief description:

- Clutches:** Award winning line of industrial Clutches for demanding environments. These Clutch products are ideal for the mining, marine, manufacturing and logging industries.
- Cylinders:** High quality robust Industrial Cylinders for different gases like hydrogen, Oxygen, Nitrogen, etc. Able to handle extremely high pressure and guaranteed to last.
- Drives:** Drives that utilize 2-stage planetary gear design to transmit power to sheave and fulfill regulations T8A 200 and T8A 220-229. Supports motor speeds of 1,000, 1,500, and 3,000 rpm.
- Fans:** Industrial Fans for your workplace that really keep the air moving. View our wide selection of HVAC, industrial and residential ventilation fans to meet every need imaginable.
- Motors:** Motors for Industrial, Commercial and specialty environments. Extensive selection in every size and capacity to meet the needs of our customers.
- Spare Parts:** Wide variety of Spare Parts for your Motors, Clutches, Drives, and Fans. Everything you need is available on line.
