

# AdvancedWare is Pleased to Present AWWebStore for Vantage - \$16,500

AWWebStore will enable your company's Web site to process orders for your Vantage business system. With AWWebStore, Customers, Distributors and Consumers will be able to purchase your products on-line via a streamlined Web interface. And because AWWebStore does Real-Time validations when the order is being placed, you can rest assured that only accurate orders will be updated into your business system. Just think of it, with AWWebStore your Customers, Distributors and Consumers (through a secure connection of course) can use a Web browser from anywhere in the world to purchase your products. AWWebStore includes the capabilities below and more ...

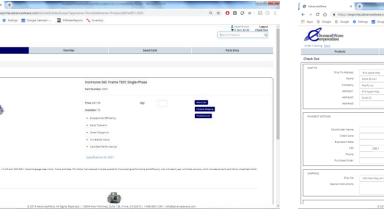

# Products are organized by category

# **Detail Page including Associated Products**

# Streamlined interface for ordering products

**Our Turnkey Approach**: For the price of \$16,500, AWWebStore includes the combination of products and services needed for your company to be up and running. We include the setup of AWWebStore onto your Web server and full integration to any release of Vantage (8.0 or later) even if you have customization.

**The Bottom Line:** With AWWebStore your Customers, Distributors, Consumers, and even Employees (on behalf of a customer) will be placing orders on your Web Site which are fully integrated with your Vantage system.

To arrange for a demonstration or to order your copy of AWWebStore please give us a call at (949) 609-1240
